FESTIVAL

FOR ARTISTS

Concerning the fields of
ceramics, fine art, music, literature, dance, design and photography

The art festival again speicher offers to young international artists in the age between 20 - 40, to realize projects within a professional frame.

Provider: **again** Speicher e.V.

Application deadline: Jun 1st

Period: first week 16.08.-24.08.2019, second week 24.08.-02.09.2019

Venue: Speicher, Südeifel

Lump sum for food: 100 Euro Per week

Grant: Materials (see below)

Within the last eleven years the international "Künstlertreffen Dodenburg" (Südeifel) refined itself to the festival "again Speicher".

This year will be the third time that artists of different origin will meet at the "Plein-Wagner-Haus", the former ceramics factory "Jacob Plein-Wagner und Söhne".

The extensive premises of the living and working facility (pottery, working spots for wood, metal and ceramics, painting and drawing rooms, tailoring, two galleries, possibilities for goldsmithery, media and movement spaces) can be used by creative people.

Participants will be accommodated in shard rooms.

Kitchen and dining rooms will be provided for common meals. Breakfast and warm dinner will be prepared and served every day. Use of the available materials and rooms is free.

Works can be exhibited in the galleries. The contribution towards expenses for food will be 100 Eur. per week. Applications will be accepted for either one or two weeks.

Besides the personal projects every artist will realize one common project that will stay in Speicher after the festival, to be part of the documentation in a retrospection.

In case of cancellation after the first of July, the payback of the participation fee (100 €) can not be refunded and will be given to the project as a donation.

The festival ends with an exhibition that will be organized and realized together by organiser and participants.
